Sowerby Bridge - Division 2/3 Double Slalom

20th & 21st March 2010

Halifax Canoe Club

"Canoeing and Kayaking are "Assumed risk" – "Water contact sports" that may carry attendant risks. Participants should be aware of and accept these risks, and be responsible for their own action and involvement

Thank you for your interest in Sowerby Bridge slalom. It is rare but very welcome to receive entries before the weekend, so a full start list will be posted at control on the day. If this is your first visit to Sowerby Bridge, I hope you feel welcomed and enjoy yourself enough to want to come back again. If it's a repeat visit then you must have enjoyed it the last time!

Our catering is of a high standard (although we are still waiting for Michelin stars). Food and drink will be available both days in our clubhouse. We have changing rooms with showers and toilets. Camping is available at Rough Hey Wood, Triangle – please see the separate sheet for details.

Unfortunately, Sowerby Bridge is not a crime free zone so please be careful with your possessions and cars. **You are strongly advised not to leave valuable in the Changing Rooms** – leave them with friends / relatives or they can be left with control for safekeeping.

Safety during practice runs (FULL RUNS ONLY PLEASE) is your own responsibility although if you have a particularly nervous paddler, please speak to control and we'll try to buddy them up with a safe pair of hands. Safety rules during the competition are as in the Slalom Yearbook. Please read and follow the safety signs, they are there for everyone's protection. **Safety boats should be on the water from 9:30am each day after which time practice will be full runs only!**

Since we are on a residential site, we ask that you respect the needs of residents. Parking spaces within the mill complex are all allocated to residents, **so please do not park within the mill complex**. There is ample parking in Sowerby Bridge, including a large pay & display car park behind B&M supermarket (formerly Kwiksave) – please ask at control if you need directions. You can come into the mill to drop off boats, **but must unload and immediately move your vehicle to a car park**.

We have a good relationship with residents and I thank you for your co-operation to enable us to maintain this by observing the following:

- **Please observe notices regarding where NOT to leave boats and equipment. Failure to do so will jeopardise future events at the Club!!**
- **Do not leave boats where they will block resident's parking spaces or walkways. Where possible please leave boats on the riverside / at the get in landing - NOT in the mill area.**
- **Do not lean boats or equipment up against the walls of flats – particularly not near the flat by the changing rooms**
- **The grassed areas are people's gardens, so please keep off these and obey the relevant signs.**
- **Please put rubbish in Canoe Club bins around the site**

Directions to Halifax Canoe Club

We are located in Greenups Mill in the centre of Sowerby Bridge. **Parking is within the mill complex is for residents only**, there is a big car park at the rear of B&M / the Market next to the canal. Alternative parking is available around Sowerby Bridge, including the industrial estate upstream of the club as the market car park can be busy on a Saturday.

From West on the M62 (junct 22): follow the A672 then A58 to Sowerby Bridge. Cross the river (the course can be seen on your right) and follow the road round to the right. To get to the club turn right at the big chimney and go down the ramp into the mill. To park, return to the main road, and turn right towards the traffic lights. At the lights turn left and immediately left again into the car park.

From the East on the M62 (junct 24): follow the A629, then A6026, then A58 to Sowerby Bridge. Turn left at the t-junction, come down the hill to the traffic lights. For parking turn right at the lights then immediately left into the supermarket car park. To get to the club go straight on at the lights then left just before the big chimney and down the ramp into the mill complex.

For a map to our location please see our website www.halifaxcanoe.org.uk

Programme

As we anticipate a lot of entries on the day, below is a programme for the event rather than a start list (2nd run times will depend on the number of entries). This gives the start time and running order for each day, to enable you to estimate your individual start time. A full start list will be posted in control before the beginning of each day's competition.

Control will be open from 8.30 / 8.45am each day for entries and queries.

Late entries will only be taken up until 9:30am each day

Saturday 20th March

10:30 Judges A – 1st runs
Div 2 C1M, Women, Men, - 1st runs
Div 2/3 C1W, C2 & Vets - 1st runs
Div 3 C1M, Women, Men - 1st runs
Judges B - 1st run

1.30pm 2nd runs – same order as 1st runs

***time may change depending on the number of entries on the day

Prize Giving – as soon as possible after 2nd runs / protest time

The course will be changed for Sunday as soon as possible after prize giving.
